

An architectural rendering of a modern building courtyard. On the left, a tall, lush vertical garden wall is covered in various green plants. The building's facade is composed of large, light-colored panels with a grid-like pattern. A prominent feature is a large, red, abstract sculpture in the foreground, resembling a stylized figure or a piece of art. In the background, a glass-walled interior space is visible, with people walking and sitting. The sky is bright and clear.
